### Testimonials

I was a tutor of Carrie during her time at Ravensbourne University. She was a dedicated and industrious student, who cared passionately about her work and how much she was contributing to the team. She's worth your time and investment.

**Anthony Alleyne, Born Wild - MD**

Carrie was absolutely brilliant. She immediately integrated into the team with an attitude of great respect, which is something I personally really appreciated. It was a real pleasure working with her. She was so dedicated and was very focused on every task of the job (which had various roles and responsibilities). She understood all the tasks quickly and she was very collaborative and friendly. Carrie was very organised, team player, enthusiastic and reliable.
