Testimonials

Clíona is an excellent employee. Since she first started, Clíona learning curve has increased significantly. Clíona is a fast learner and finds the job easier as she has not only really good computer skills but her English is excellent which helps with the communication in between the desk and our guest. Clíona will always support me and is there always when I need her

Rafael Sanmartin, Front of House Manager / Thistle Kensington Gardens

Thoughtful and considerate of others, Clíona is a wonderful addition to any team. Two of Clíona's most striking characteristics are their tenacity and flexibility - Clíona will go the extra mile and persist to ensure tasks are completed to a high standard by deadlines and adapts their actions to meet the needs of the situation at hand. Intelligent and kind, Clíona is a pleasure to work with, treating everyone they encounter with respect. Clíona's passion for film and television makes them a perfect candidate for the NFTS Prime Video Craft Academy. I strongly believe Clíona would flourish and shine if given this opportunity, and wholly recommend them for it.
