Elmira Nurmagambetova
Junior Video editor

Skills / Kit / Experience

- Passionate video editor, driven by a love for uncovering and sharing untold stories through captivating visual narratives.
- Proficient in industry-standard software such as Adobe Premiere Pro, After Effects, and DaVinci Resolve, with a strong emphasis on storytelling and visual aesthetics.
- Skilled at transforming ideas into compelling visual content that resonates with audiences.
- Possessing strong attention to detail and organizational skills, along with the ability to work independently and as part of a team in a fast-paced environment.
- Dedicated to bringing creative visions to life through effective communication and a commitment to excellence
- Experienced in Adobe Creative Suite (Adobe Premiere Pro, Adobe Photoshop, Adobe After Effects), Final Cut Pro, DaVinci Resolve, Nomad Sculpt, and AR EyeJack. Good knowledge of Microsoft Office.

Testimonials

She is capable and very hard-working. She is also very good when working in the group, she is considerate but willing to assert herself when she needs to.

Zak Peric / Senior Lecturer / Westminster University

Their practical work is ambitious and imaginative. They are an independent learner and take on board feedback and suggestions well, responding constructively when their ideas are challenged.

Chris Fry/ Senior Lecturer/ University of Westminster
