Testimonials

I have not worked with George, however, in his time as an undergraduate student I have been involved in some of the filming projects he has worked on. He was very professional and conducted himself in a polite and professional manner.

Lynne Emerson, Character Reference

George was an exemplary student. He received the commission to produce the 2nd year multi-camera studio production, conducted in professional facilities at Maidstone Studios. Throughout his studies he has taken on extra work, produced videos for external clients and undertaken professional work experience. He was also a student ambassador, staffing many of our open days and recruitment events.
