George has the potential to excel in the television industry, and I am confident that he will be a valuable asset in any role he undertakes. His skills and work ethic make him well-suited for positions such as Runner, Floor Manager, or Multi-Skilled Operator.

Stuart Joy, Interim Head of Film and Media /Solent University

Having spent a day working with George I can say he would be a great asset to any crew. Hitting the ground running (a double header finals football match at Wembley) George learnt - how to do a 6yrd camera, pre, during, post-match interviews. He was eager to learn, keen and picked up everything well. He really was thrown in the deep end and had to learn quickly. I would highly recommend George.
