Skills / Kit / Experience

- As a freelance photographer, John is passionate about creating visually stunning content that tells a story, inspiring and connecting people.
- With experience in wedding, headshot, and event photography, he captures the essence of a moment and crafts it into a story through images.
- His unique perspective and style brings a fresh and creative approach to any project.
- He is skilled in post-production and editing, and he understands the importance of creating a consistent and cohesive look that aligns with brand identity. He is adaptable and works well under pressure.
- Software skills: Lightroom, Photoshop, Procreate, Canva Pro, Microsoft Office, Luminar NEO, DaVinci Resolve.

Testimonials

Working with John has been exceptional, as he consistently displays dedication, professionalism, and a positive attitude. John's exceptional attention to detail, problem-solving skills, and organization have streamlined our operations and improved customer satisfaction. He works well individually or as part of a team and is always willing to lend a helping hand to his colleagues. His exceptional communication skills have made him an ideal leader and mentor, essential to training and coaching new members of our team. His passion for photography stems from his vast creative excellence, his precision and in general, his technical skills. He has been the key person in the hospital to capture memorable moments and also at corporate events and functions. The feedback is no less than outstanding.
